Greetings and congratulations!

Congratulations to Riverstone Senior Life Services on its 30<sup>th</sup> Anniversary, and for its long standing commitment to provide essential services for our elderly to remain healthy, active and living within our community.

Riverstone has dedicated itself to providing essential services to our low-income elderly population with varying disabilities. Each year, your programs reflect the needs of our community and provide compassionate care to whoever is in need. Our community is strong today, because of your incredible dedication toward improving the quality of life of all our seniors. Because of you, our most dedicated community members stay in our neighborhood with the highest possible quality of life in their later years.

Congratulations to this year's honorees: **Julio Batista**, Director New York Presbyterian Hospital; **Molly Michels**, **Steve Simon**, Chief of Staff of NYC Manhattan Borough Parks. Your work has influenced so many in our community, and I am proud to see your work honored today.

Thank you, for all that you do to make our community stronger through compassionate and effective services.

Sincerely,
