HELPING OUR MOST VULNERABLE OLDER ADULTS
TO REMAIN IN THEIR HOMES AND COMMUNITY

“YOU HELPED FIND MY
FRIEND A NEW HOME
AFTER AN ILLEGAL
EVICTION. HE NOW
LIVES IN A SAFE PLACE
WITH HIS PRECIOUS
DOG BY HIS SIDE. YOU
SAVED A MAN’S LIFE
AND UNIFIED OUR
COMMUNITY TO HELP
A MEMBER IN NEED.”

For more than 30 years, we have provided social services support to seniors from Washington Heights, Inwood and West Harlem. Each year we continue to help more than 1,000 seniors in the community.

Services help isolated, frail, at-risk and underserved older adults remain safely in their homes and maintain their independence and quality of life. Social workers assess individual needs and suggest services to meet those needs.

SOCIAL SERVICES INCLUDE:

- Home visits and in-home safety evaluations
- Referral and follow-up for home care services and Meals on Wheels
- Support benefits and entitlement counseling
- Crisis intervention
- Eviction prevention
- Escort to housing court and city agencies
- Advocacy
- Elder abuse prevention
- Screenings, support and referrals for depression, alcohol and drug issues
- In-home appointments available
